

Dear Parent/ Carer,

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

On enrolment, parents/carers will nominate the SRE preference for their child. Students continue in the same arrangement each year after the initial enrolment. Notification of changes to a child's enrolment in SRE/SEE should be given to the school in writing.

For more information about Special Religious Education and Special Education in Ethics, including the list of approved providers, please visit:

Below is the list of approved special religious education programs provided at Erina Heights Public School. Additional details of SRE programs on offer at the school can be obtained from SRE providers. Contact details of SRE program coordinators can be provided by the school if required. Unfortunately, we are unable to offer Ethics classes as we have not been able to source any volunteer teachers.
