

# ZOOM – Expectations for Students

**Daily Check in** Everyday there will be a Zoom for your class at 9am. This is an opportunity for you to connect with your teacher and class mates and to ask any questions about your school work. The meeting details will be shared on Google Classroom Classroom (3-6) and Dojo (K-2).

**Location** Sit in an appropriate spot where you can speak and hear clearly. No moving around during the video.

## **Mute your microphone**

You may say 'hello' to your teacher when you enter the Zoom call. After you have greeted your teacher, click on 'mute' to mute your microphone. You can unmute your microphone when your teacher asks you to speak.

## **Have questions ready**

If you have been stuck on a task or have questions, please be prepared and have them ready for the teacher.

**Participation** Be prepared each day, pay attention, be focused and actively participate.

**No recording** Do NOT take screenshots, screen recordings, or photos of the class ZOOM meeting.
