What are you requesting the school to do?

Through information you have obtained from your doctor or got yourself, are you aware of any likely side effects from the prescribed medication?	Yes	No
If yes, please provide more information:		

If your child administers his or her own medication at home, do you request that he or she self-administers this medication at school?	Yes	No
--	-----	----

Note: the Principal needs to approve a decision for a student to self-administer.

If yes, please describe what support your child needs to administer the medication in a non-emergency situation at school. You may like to include information about how you support your child at home to administer their medication.

Secure delivery of prescribed medication is important for the safety of your child as well as for the safety of other students in the school.

Please name the person who will carry the medication to school:

Note: if you are unable to deliver the medication to school, it is advisable that you nominate a responsible person, who is not a school staff member, to transport the medication to the school.

For some medications and some students it can be appropriate for them to carry their own medication to and at school. For example, asthma reliever medication and pancreatic enzymes for cystic fibrosis. If your child is to carry their own medication we want to be able to support this and request some information so that we are well informed.

Note: The school may still need you to provide the school with an additional supply of the medication for storage in central location/s within the school and for use if your child needs the schools help.

Would you like the principal to consider a request for your child to carry their medication?	Yes	No
--	-----	----

Note: The Principal needs to approve a decision for a student to carry their own medication at school.

If yes, please describe where and how your child will carry this medication, for example, my child will carry it on their person in a medical pouch or bum bag.

Note: Your child's medication should be clearly labelled with their name.
