PRINCIPAL REPORT

A perfect end to a wonderful Term 1, 2021

Conversations, laughter, social catch ups, coffee and hot cross buns made for a wonderfully uplifting start to the last day of Term 1. It was such a great feeling to be able to welcome families back into the school and host our first community event in over 12 months. Thank you to everyone who was able to make it along to our Easter Breakfast this morning.

Easter hats

Thank you also to all of our wonderful parents for your hard work in helping with the creation of Easter hats for our parade. It was beautiful to see students K-6 so excited to parade in front of their families.

Easter Raffle

Thank you to our P&C for all of their efforts in organising our Easter Raffle and for the time that went into making all of the Easter baskets. They looked absolutely fabulous.

Thank you to everyone who donated to the raffle. I am so grateful to be part of such a supportive and generous community. It was truly overwhelming to see the contributions that were made.

Community Feedback

I received some wonderful feedback from a member of the local community. One of our students, Adele, was seen cleaning up our local beaches after the storm.

Adele and her friend were happily collecting the multitudes of Styrofoam balls scattered along the beach.

Thank you Adele for your diligence and positive attitude!

PRINCIPAL REPORT

Morning Tea with Mrs MacDonald

After a morning of festivities, it was wonderful to relax and enjoy some delicious food with students as part of their PBL rewards day activities. In between chocolate cake, party pies and sausage rolls, we had some great conversations about what they had enjoyed most about the term and exciting holiday plans.

If someone was to ask me what my favourite thing about Term 1 was, I would have to say 2 things. The first being my mornings out the front of the school. It is such a great start to my day being able to welcome students and connect with parents at the beginning of the school day. The second would definitely be today. Welcoming parents back, engaging in conversations, seeing students parade their Easter hats and then enjoying morning tea with students, made today the BEST day of Term 1 for me.

Thank you to our wonderful staff

It is important to acknowledge the contributions, dedication and outstanding effort of all staff at Erina Heights. From the office to the classrooms and gardens, they are an amazing team of staff giving 100% for our students. I would like to personally thank every staff member for their contributions to making this school such a beautiful place to work and learn.

Have a safe and happy holiday

I want to wish you all a safe and wonderful Easter break. Enjoy being able to spend quality time together and getting outdoors. I look forward to welcoming all students back next term when we return on Tuesday 20th April.

DEPUTY PRINCIPAL REPORT

What a fantastic day students and staff had at Erina Heights Public School today. Starting with our Easter festivities and finishing off with their well-earned Rewards Day.

Students changed their name for the day, decorated cookies, had their faces painted and watched movies. Others enjoyed morning tea with the Principal, danced the day away at the disco or had extra play.

There was a great atmosphere all around the school for the whole day. Congratulations to all of our students for their fantastic behaviour and to our PBL Team for their organisation of the day.

Cross Country

Our annual Cross Country Carnival will be held on Wednesday 21st April, 2021 (first week back) at Duffys Oval, Terrigal. The carnival is for all students in Years 3 – 6, as well as any Year 2 child who turns 8 years old in 2021.

The carnival will begin at 9:30am and we hope to be finished by 1:30pm. Buses will transport all students to and from Duffys Oval.

If you are able to assist us with running the carnival, please email the school or contact Anna Bailey on or before Tuesday 20th April.

DEPUTY PRINCIPAL REPORT

NAPLAN Assessments

NAPLAN is a point-in-time assessment that allows parents to see how their child is progressing in literacy and numeracy against the national standard and compared with their peers throughout Australia. At the classroom level, NAPLAN provides additional information to support teachers' professional judgement about student progress.

NAPLAN assesses literacy and numeracy skills that students have already learnt through the school curriculum. Teachers will ensure that students are familiar with the test formats and will provide appropriate support and guidance. Excessive preparation is not useful and can lead to unnecessary anxiety. If you have any questions about your child's preparation for NAPLAN, please make a time to speak with your child's teacher.

CLASSROOM NEWS

5/6R

5/6R have settled in nicely to their new class this term and have started to build meaningful relationships with one another.

We have been exploring texts about 'belonging' this term. We have had a focus on giving kind, helpful and specific feedback to our peers to assist in creating our personal best writing. We have been working on our sizzling starts in persuasive writing to immediately capture the reader's attention and make them want to continue reading. Here are some examples from the topic - Summer is a more enjoyable season than winter:

You are laying on your towel, listening to the wave's crash on the shore. You can smell the tasty hot chips that everyone is eating. You can see the sandcastles covered in shells that the kids have made. You think to yourself, I don't want summer to end... By Alisha H

Imagine you are gently bouncing on a slippery diving board with sun pouring all over your face. Then with one swift movement, you dive in. You feel the cool, cold water engulf you as you propel yourself through the water with your powerful arms. You wish it could be summer forever... By Evie V

We have been lucky enough to develop our tennis skills during our weekly visits from Sport in Schools Australia and have been working on our throwing, striking and catching skills during PE.

Our focus in history this term has been on the development of Australia as a nation. We began by exploring Aboriginal law (lore) and as a class, created our own Acknowledgement of Country to underpin our theme of *Respect, Reflect and Celebrate*. We have also learnt about Australia's British heritage and other models that influenced our system of government.

We are looking forward to an exciting Term 2.

Mrs. Richardson

START YOUR OWN SOCIAL ENTERPRISE

Thursday 22 April, 12:30-4:30pm
University of Newcastle, Ourimbah Campus
C5207, 10 Chittaway Rd, Ourimbah

You might have heard of businesses that call themselves social enterprises – they run like normal businesses, but their profits go back into causes that matter. If you have been wondering what it's all about, what it takes to start one how a business can do good, this is the session for you!

There are two parts to this free event:

- Info Session (12:30-2pm) – find out what social enterprises are, how you can start one and examples of social enterprises from around the world, to inspire and encourage you.
- Enterprise Building (2-4:30pm) – discover where you can receive support and advice on your social enterprise to build it up into something that should exist!

Run by social entrepreneur Adam Mostogl (2015 Finalist, Young Australian of the Year) who has helped facilitate the world's biggest innovation process for the Sustainable Development Goals, participated in events hosted by the US State Department, the World Economic Forum and the United Nations among others.

This event is part of the IGNITE Business Launchpad, an initiative of Central Coast Council to help young people explore entrepreneurship and starting their own business with confidence, support and advice.
